CAREER PROFILE

I'm so creative and motivated to invent new things. I hope touch a lot of technologies. Recently I have learned a lot of best practices in developing clean code according to SOLID principle. I'm working on a lot of Design Patterns in PHP. Also I didn't forget to improve my soft skills and every day read some books and articles.

EXPERIENCES

Developer

Startup Drdr.ir, Tehran, Iran

2022 - Present

As a developer I had to deliver some tasks in both the backend and frontend at first. After a while when the new version deployed on production, I started my work as a backend developer specifically on the Laravel framework. Some of my specific points during this job are:

- working with Asterisk
- working with Design Patterns
- complete unit/feature test
- try to develop based on TDD

Co-Founder - Developer

Startup Adilar.com, Tehran, Iran

2020 - 2022

As a co-founder I managed the development of a part of Adilar.com. Adilar is an ATS for HR which enables recruiters to control workflows easily. Some of the best works that I have experienced in Adilar are:

- learn Laravel for the first time
- running CI/CD with GitLab
- Docker and docker-compose on production
- learn to code with Vue.js/Nuxt.js

Developer

IPM.ir, Tehran, Iran

2016 - 2020

During 4 years I experienced a lot of technologies with test and fail. Based on the platform which we have worked on it is ProcessMaker.com. An open-source BPMN2 platform in PHP language. I have experienced the following features:

- ProcessMaker
- ExtJS
- Linux
- Git
- GitLab

Supporter

TBCom.ir, Tehran, Iran

2015 - 2016

I started as an intern. After a while my duty was supporting clients with phone and managing update patches. Fixing some problems I have experienced in the following features:

- MS SQL Server
- Soft Skills

IT Manager

Dinawin, Tehran, Iran

2014 - 2014

As an IT Manager I was responsible for all issues about Network, Cameras, PCs and Servers. I have experienced the following features:

- IC DL
- Network+
- Server (Linux, Windows)

CERTIFICATIONS

Network+

Noora

2014 - 2014

LPIC1 & 2

Anisa

2014

SKILLS & PROFICIENCY
