

Practicals

We've created a variety of resources to help you meet the new A-level practical requirements, giving you more time to concentrate on sparking your students' interest and excitement for all things practical.

They're designed to support required learning objectives, and to help you assess your students' progress through the Common Practical Assessment Criteria (CPAC).

If you have any questions, call our A-level science team on 01483 477 756 or [email us \(mailto:alevelscience@aqa.org.uk\)](mailto:alevelscience@aqa.org.uk).
