Press Release Strategy

Press Releases are the industry standard for high quality white hat SEO. We can take your business or an event and turn it into a high quality article called a Press Release.

Then we will seed this article through multiple, high quality news distribution channels. Hundreds of news outlets will pick up your press release and publish it on their site resulting in a multitude of high quality, diverse links from very authoritative, real news sites.

Our expert quality control team looked over the article you gave us to make sure it was a-okay to send out.

2

Approval and Distribution

Complete

After you approve the press release, it is distributed to our network of journalists.

3

Publishing

Complete

Your press release gets featured on hundreds of high quality, real news sites. You may continue to see even more links come in for months after your report has been delivered.
