Once you have cleared this section you will need to fill in security details to confirm your identity.

When you have finished, click on **Next** and you will then be taken to the National Insurance section of your application.

## Step 5: Photo identification

The last step to complete this part of the application is the photo and signature section.

The DVLA now only issue photo card licences. You can either send it to DVLA through a postal application or you can choose to allow DVLA to retrieve your passport photo and signature from Her Majesty's Passport Office.

Choose one of those two options.

As the DVLA now only issue photocard licences, you'll need a photograph for use on your driving licence. **To avoid the need for you to send us a photograph and completion form by post**, you can choose to allow us to attempt to retrieve your passport photo and signature from Her Majesty's Passport Office (HM Passport Office) for use on your driving licence. You will be notified at the end of this transaction if this has been possible.

Please note: \* indicates that an answer is required.

Your application will require you to choose a password. This should be 8-12 characters and should contain letters and numbers.

## Step 6: Eligibility

To apply for a new driving licence, you need to live in the UK. Confirm your UK residency status by selecting **Yes or No** to the questions presented.

## Are you eligible?

### Residency and Disqualifications

You can only get a GB driving licence if you are normally resident in Great Britain. To be normally resident you must usually live in Great Britain for 185 days in each calendar year.

Applicants who are not UK citizens or nationals of another EU or EEA country will not be considered normally resident if they:

- do not have leave to remain in the UK, or
- are in the country on a temporary basis without leave to remain either while awaiting a decision to stay in the UK or following a decision refusing such an application.

Please note: \* indicates that an answer is required.

At the end of the section you need to complete a medical declaration. Add your personal email address to have the confirmation of your application sent to your inbox.

### Step 7: Declaration and application completion

When you are happy with everything, confirm your application **by clicking on the check box**. You can go back to your application by clicking on **Previous**.

Declaration		
I understand that it is a criminal offence to make a false declaration or withhold material information in order to obtain a driving licence and that to do so can lead to prosecution and a fine of up to £1,000 or imprisonment for a period of up to two years or both.

The application will cost £34 and you will need to have your credit or debit card to hand to pay for this. Once you have submitted this payment you need to finalise and confirm your application. You should get an email shortly afterwards from DVLA, confirming this.
