

Join a Network for just £100 per month

Here are our prices. Everything we do is customisable. If you're not sure which option is right for you, find out more about [Our Networks](#) and [how Digital Champions programmes work](#) or [get in touch](#) and we can talk you through it.

Prices: Digital Champions Network

Our experience shows that on average, a trained and active **Champion helps 30 people a year** with digital skills. Many help as many as 75 people.

Training and supporting 10 Champions, whether they are staff, residents or volunteers, means you **could inspire and help more than 300 people** to use digital technology. In just 12 months.

With our standard membership you could reach each of those **300 people for around £4 per person**.

Size	Licences included	Total cost year 1*
Extra small	10	£1200
Small	25	£2,000
Medium	50	£3,000
Large	75	£4,000
Extra large	100	£5,000

*All prices exclude VAT. These are public/ public sector prices. For the private sector, add 15%.

There's a 10% discount for subsequent annual renewals. As your project grows, you can buy **additional licenses of 5 @ £75 each** - or "move up a size". We can discuss your requirements as they arise! At renewal, you can **retire any inactive Champions** and free up those licenses for new Champions to keep your project active.

You can find out more in the [Digital Champions FAQs](#).

Customisation

You can also **customise the project** with extra management tools and tiers at any time during your membership...

Customisation	Details	One-off cost (+VAT)
Tailored Champion Record form	You can add additional questions on the Champion Record form. For example location of support, or type of support activities.	£500
Tailored recommended learning	As standard you will be offered the DCE, health courses, or staff course as your recommended learning for Champions. Further customisation enables you to have any combination of our courses on the dashboard as recommended learning.	£500

Customisation	Details	One-off cost (+VAT)
Client document area	You can add a resource area with project documentation that is just visible to your Champions (eg volunteer handbook, policies and procedures, expenses forms).	£1,000
Tiered project structure	This allows you to create up to 10 sub-projects sitting under your umbrella organisation. You can identify which project your Champions are part of and you can assign PMs to sub-projects.	£1,500
Induction program	This customisation allows you to build a bespoke induction program, with required courses or activities a Champion must complete before the learning is unlocked. This could be a course, a document that must be read/signed, or even a face-to-face activity.	£2,000

Prices: Inspire

The standard package comes with customisable branding, logos, URL and hosting; project scope & set-up, planning including workshops, weekly calls and a portfolio of planner docs for learners and Project Managers; dashboards for reporting and evaluation and timetabled project and strategic calls.

We offer extra [consultancy services](#) when you're setting up Inspire and services like bespoke content or help finding partners for your activity. You can find out more in the [Inspire FAQs](#).

	Private sector	Public/charity sector
Band A- Up to 50	£6,400	£5,200
Band B- 51 to 150	£7,600	£6,400
Band C- 151 to 250	£10,000	£7,600
Band D- 251 to 500	£11,800	£10,000
