

Free Digital Inclusion event – Book your place

Reinvigorating Digital Inclusion

Thursday 14 October 2021 (1.30pm – 4.30pm)

RIBA, Portland Place, London, W1B 1AD

If you're in the midst of planning or delivering digital inclusion, then this is the event for you.

Digital has been an enabler and a barrier for everyone through the pandemic. Many service providers have been through the most rapid organisational evolution imaginable. There have been unanticipated successes but plenty of challenges too.

At Reinvigorating Digital Inclusion we'll be sharing the digital inclusion learnings, insights and challenges from the organisations we've been working with over the past 18 months and exploring what next for digital participation.

There'll be plenty of networking, oh and lots of tea and cake as well.

Workshops

During the afternoon we will be running five different workshops including some delivered by of our brilliant guest speakers.

- Setting up and running a device loan scheme with Citizens Online
- Engaging older people with Caspar Kennerdale from Clear Community Web
- Safety First with Healthwatch Islington
- Using data to drive your project with Digital Unite
- Delivering blended digital skills support with Digital Unite

The venue

The RIBA (Royal Institute for British Architecture) Headquarters is a stunning building just a short walk from Regent's Park. The address is 66 Portland Place, W1B 1AD. If you want to have a sneak peak around the inside, check out this video [Inside RIBA at 66 Portland Place \(architecture.com\)](#)

Do you have a burning question about digital inclusion or digital skills support?

Is your organisation currently playing an active role in supporting digital inclusion? *

- Yes definitely, it's a key part of what we do
- Yes, though we could do more
- Kind of, though there are factors holding us back
- No, we need to learn more about what we can do
- Something else entirely

Event Requirements

Pre-register for Track and Trace

In line with government guidelines, RIBA require all guests to pre-register for Track and Trace. This will include providing photographic evidence of double vaccination or a negative lateral flow test (taken less than 48 hours before the event). We will provide further details on how to do this. Do you agree to pre-registering in this way?

I agree

Dietary Requirements

Drinks and cakes will be provided. Please tell us if you have any specific dietary requirements.

Accessibility Requirements

RIBA has step free access to the rooms and there is an induction loop system installed. Guide dogs are welcome. There is an accessible toilet. Please tell us if you have any additional accessibility requirements.

Workshops

Whilst the main theme will be on creating a successful Digital Champion approach, we'll also be exploring topics that we know are prevalent amongst organisations at the moment.

We will be running five workshop themes. There will be opportunity for you to attend THREE different sessions. Please select your preferences below and we will do our best to accommodate your top three.

Workshop Preference 1

- Engaging older people (Caspar Kennerdale from Clear Community Web)
- Setting up & running a device loan scheme (Citizens Online)
- Safety First (Healthwatch Islington)
- Using data to drive your project (DU)
- Delivering blended digital skills support (DU)

Workshop Preference 2

- Engaging older people (Caspar Kennerdale from Clear Community Web)
- Setting up & running a device loan scheme (Citizens Online)
- Safety First (Healthwatch Islington)
- Using data to drive your project (DU)
- Delivering blended digital skills support (DU)

Workshop Preference 3

- Engaging older people (Caspar Kennerdale from Clear Community Web)
- Setting up & running a device loan scheme (Citizens Online)
- Safety First (Healthwatch Islington)
- Using data to drive your project (DU)
- Delivering blended digital skills support (DU)

Workshop Preference 4

- Engaging older people (Caspar Kennerdale from Clear Community Web)
- Setting up & running a device loan scheme (Citizens Online)
- Safety First (Healthwatch Islington)
- Using data to drive your project (DU)
- Delivering blended digital skills support (DU)

Workshop Preference 5

- Engaging older people (Caspar Kennerdale from Clear Community Web)
- Setting up & running a device loan scheme (Citizens Online)
- Safety First (Healthwatch Islington)
- Using data to drive your project (DU)
- Delivering blended digital skills support (DU)
