

# Best ... recipe apps

 [Print this guide](#)

Thanks to the rise of the Apple App Store and Android Marketplace, trying something new in the kitchen is easier than ever before. Rather than having to spend out £20 on a book, or bring your laptop into the kitchen, recipe apps give you access to more meal ideas than ever before, and often for free. Here is a selection of some of our favourites.

## **Epicurious Recipes & Shopping List**

Winner of countless awards, the Epicurious app allows you to browse, search, save and share over 30,000 professionally created meal and cocktail recipes. UK cooks may need a little help translating American measurements, but as recipe apps go, Epicurious has the most comprehensive selection.
