

# How to find volunteering opportunities online

 [Print this guide](#)

If one your resolutions this year is to help others, you'll be happy to know that there are a range of websites to help you find volunteering roles that match your skills and interests.

While there are some specific websites that helps find volunteers within UK charities, for this guide we are focussing on Do-it.org.uk, which carries various roles from a wide range of charities.

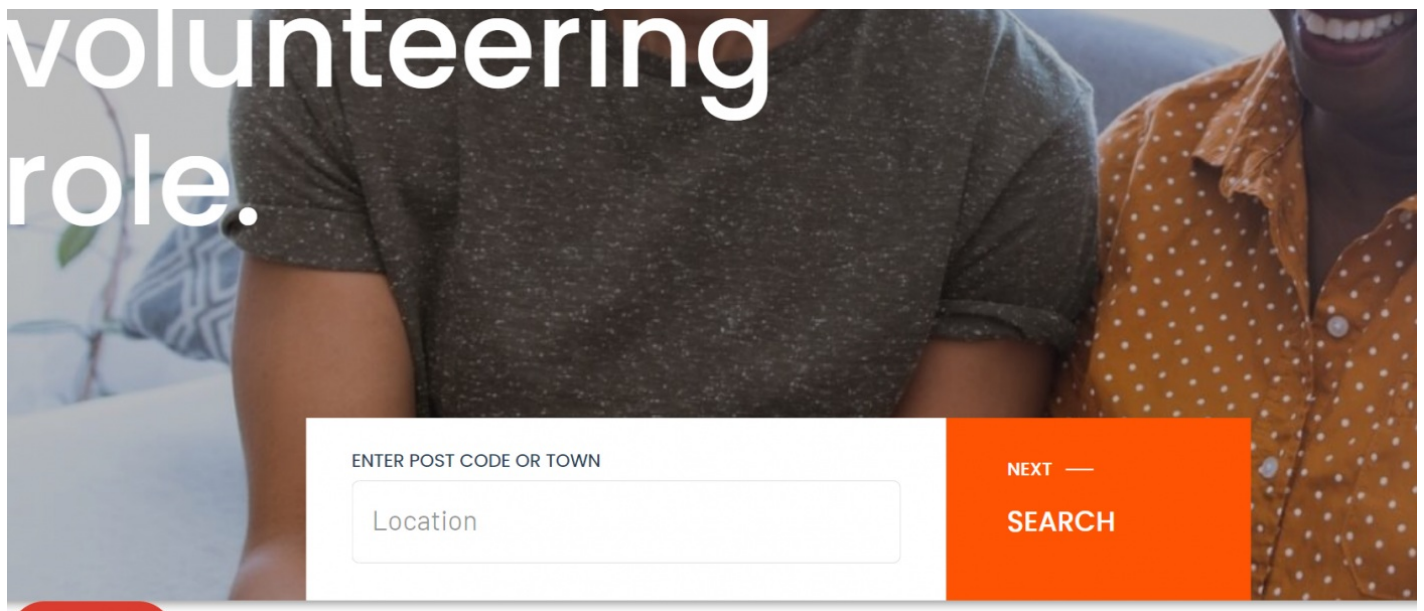

## You'll need:

- a computer with access to the internet, ideally through a broadband connection
- an email account
- an idea of how much time you have available and the skills you can offer.

## Follow these step-by-step instructions to find voluntary positions online

**Step 1:** Open your browser and go to [doit.life/volunteer](https://doit.life/volunteer)

**Step 2:** You should see a search bar which says Find a volunteering opportunity near you. Type in your postcode and hit Submit.

**Step 3:** Once you have done that you will see a list of opportunities that are near you. Use the drop down menus to filter your search results.

**Step 4:** You can either choose to view the volunteering opportunity or 'save' it for a later time. If you click on view you can read more about the opportunity and what criteria they are looking for. You will also be able to see the location and time and day which is required for the role.

The screenshot shows a web form for finding volunteering opportunities. At the top, there are three input fields: 'Your postcode or town' with a location pin icon, 'Within 10 miles', and 'Or' followed by a checked checkbox for 'Do-it from home'. Below these are two search bars: 'Search by opportunity name or keyword, e.g. shop, manager, event' and 'Search by the name of an organisation you'd like to volunteer for'. A section titled 'When are you available? Select all times or just the relevant ones for you.' contains a table with time slots and days of the week. The 'Morning' slot is selected for all days. Below the table is a dashed box for additional notes. At the bottom, there is a search bar for 'What causes are you passionate about? Choose up to 5 Interests' with a dropdown arrow, and another dashed box for more notes.
