How to create a numbered or bulleted list

🖨 **Print this guide**

Using numbered or bulleted lists can help if you want to make items stand out or show important steps in a document.

This guide explains how to insert bullet points or numbers in a document in Microsoft Word 2010, but generally the steps will be the same in both earlier and later versions of Word. Visit the [Microsoft Word support website](#) for more details.
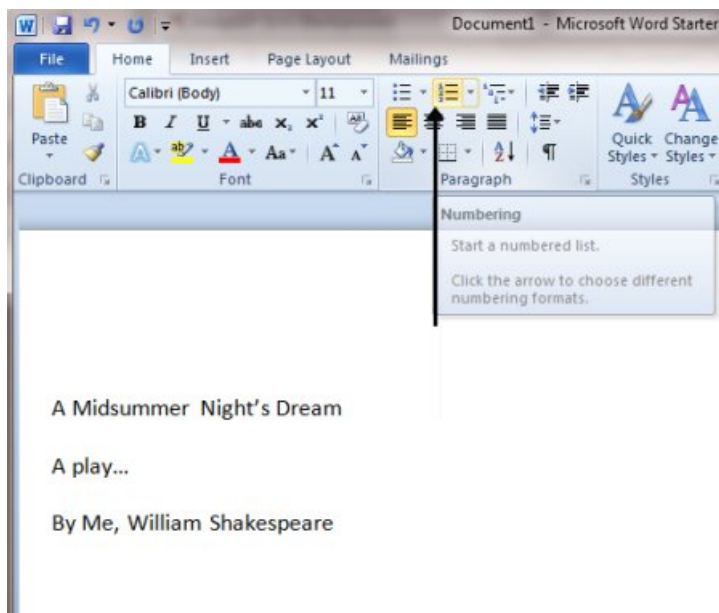

**You'll need:**

- A computer with Microsoft Word installed.

Follow these step-by-step instructions to created a numbered or bulleted list

Step 1: Open or start a new Microsoft Word document if you do not already have one open.

**Step 2:** To create a numbered list, click on the numbering icon at the top of the document.

**Step 3:** The first number will now be inserted into your text.
