## ACCOMODATIONS

**Disclaimer** The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

**Manufacturer Provided Description** The Grady-White Escape 209 features ergonomic controls, eye-level instrumentation and rounded edges for comfort and safety. The 209 combines the proven SeaV2 hull ride with a stylish look and color scheme. The 209 has a roomy 41-square-foot non-skid covered cockpit. A forward anchor locker, raised casting platform and high freeboard interior cockpit make anchoring and fishing safe and comfortable. The Escape 209 has two aft rigging compartments and six rod storage racks. There are also more than 200 quarts of insulated storage aboard, along with a 28-gallon livewell. Optional features include hydraulic trim tabs (highly recommended for the offshore user), a swim platform with a ladder, and a pressurized washdown for the anglers.
