This boat has been continuously update over the past six years including the following: new upholstery on bridge and v-berth, new sofa in salon, carpet in salon, new Formica throughout, new water tanks, new radar, GPS, nav lights, drop leaf table, new mahogany flooring in head and galley, new boot striping, new stainless steel bow and stern rails, wheels balanced in 1998, fresh water pumps, 12 gallon hotwater heater. On top of all this, both engines completely rebuilt and balanced by Butler and McMasters in 1999 with only 50 hours since.
