

## 2006 Back Cove Hardtop Express **\$139,900**

Clean, Clean, Clean! Recently listed - Economical to run, modern design and a true downeast beauty. The Back Cove 29 has a solid pilothouse that protects the bridgedeck from all the elements. The advanced composite materials used in the 29's construction, help immensely to minimize noise (especially when compared to her competitors in this class). An adjustable Captain's seat and tilt steering wheel make it comfortable to drive standing or sitting. An open cockpit and helm deck area offer a great platform for the early evening cocktail cruises while entertaining friends & family. Powered by the Yanmar 315hp, this 29 will cruise in comfort from 13 knots to 24 knots (whatever you find more comfortable) while topping out at wide open throttle around 28 knots. With light use, and an equipment list like no other on the market, including a 10' Zodiac hardbottom inflatable and davit system. This 29 offers an opportunity to anyone looking for a clean late model downeast cruiser. If you are considering a Back Cove 29, give MASCOT a closer look.

### BASIC INFORMATION

<b>Manufacturer:</b>	Back Cove	<b>Model:</b>	Hardtop Express
<b>Year:</b>	2006	<b>Category:</b>	Power
