

2006 Tartan 3400 \$169,000

New Price, extremely clean and very well cared for, she is a fresh water boat and has an equipment list worthy of a closer look.

This 2006 Tartan 3400 offers a warm layout, comfortable accommodations, shallow draft wing-keel, good storage for her class and boosts great performance matched against her competitors. Wrapped under her beautiful black Awlgrippied hull, you will find a Force10 propane stove, Isotherm refrigeration, teak cockpit soles & coamings, stainless steel dorades, Doyle spectra laminate reacher, assymetric spinnaker, fully battened Dacron mainsail Doyle, Novis Composites carbon-fiber mast in Awlgrip white coating & carbon-fiber pocket boom, Raymarine autopilot, Raymarine wind, speed, depth instruments as well as other fine features.

Within a few days, her mast will be stepped and rigged, a fresh coat of bottom paint will be applied and a complete interior/exterior cleaning will cover her bow to stern. Her launch date is scheduled for mid to late July. Certainly, this is one you should consider adding to your short list. Additional information is available upon request.

BASIC INFORMATION

Manufacturer:	Tartan	Model:	3400
Year:	2006	Category:	Sail
Condition:	Used	Location:	Yarmouth, US
Vessel Name:	2006 Tartan 3400	Hull Material:	Composite
Designer:	Tim Jackett & Tartan Design Team		

DIMENSIONS & WEIGHT

Length:	34 ft	Beam:	11.92 ft
Draft - max:	4.92 ft		

ENGINE

Make:	Yanmar	Model:	3YM30
Engine(s):	1	Fuel Type:	diesel

TANK CAPACITIES

Fuel Tank:	25 gallon - 1 tank(s)	Fresh Water Tank:	60 gallon - 1 tank(s)
Holding Tank:	20 gallon - 1 tank(s)		

ACCOMODATIONS

Engines Total Power: 27hp

Accommodations

- Forward cabin w/ berth & two hanging lockers & storage dovetail drawers
- Aft cabin w/ double berth hanging locker & storage cabinets
- Nav station to starboard w/ AC/DC electrical panels
- Large storage outboard of main cabin seat backs
- Drop leaf, solid cherry table w/ center storage bin & two dovetail drawers
- Main cabin fit w/ cherry cabinets & ventilated raised panel doors throughout
- Furniture grade main cabin settees & seats w/ designer cushions
- Full galley to port w/ storage cabinets & ventilated raised panel doors

- Enclosed head compartment w/ shower & toilet facilities
- Cockpit seat lockers
- Cockpit lazarette hatch starboard
- Propane gas bottle storage in cockpit for two 11 lb. tanks

Galley/Head

- Galley
- Force10 2-burner gimbaled LPG stove w/ oven & broiler
- LPG sniffer w/ auto shut off
- Isotherm Compact refrigeration system
- Granicote single bowl sink w/ marine grade faucet & manual foot pump w/ swivel spigot
- Granicote solid surface galley countertops
- Storage under galley sink through ventilated raised panel cherry doors
- Head
- Jabsco manual toilet system
- 20-gallon holding tank w/ deck pump out & vent
- Holding tank gauge
- Marine grade sanitation hoses w/ low odor permeability
- Marine grade head faucet & shower mixer
- Molded Granicote solid surface countertops w/ integral sink
- Ample storage in upper vanity
- Utility storage under sink through raised panel cherry door

Electronics

- Garmin 545s GPS
- Raymarine ST6002 SmartPilot autopilot
- Raymarine ST60 Wind
- Raymarine ST60 Speed
- Raymarine ST60 Depth
- ICOM IC-M302 VHF radio w/ SS whip

Electrical

- 30A battery charger
- 120VAC outlets in each cabin w/ GFI protection
- (3) Group 27 batteries
- 120VAC distribution panel
- 12VDC distribution panel
- 30A shore power cord
- Battery selector switch
- 12V sump pump w/ automatic float switch for icebox & shower
- 12V auto/manual bilge pumps
- UL approved, stranded, tinned copper wiring for increased corrosion resistance

Spars, Rigging & Sails

- Mast
- Novis Composites carbon-fiber mast for greater strength, lower weight, increased safety margins and improved performance
- Awlgrip white coated mast
- Tapered mast section for reduced weight aloft
- Tapered airfoil swept spreaders
- Custom designed carbon fiber masthead with sheaves for 1 headsail halyard, 1 main halyard and spinnaker halyard and reacher halyard
- 1 x 19 Stainless steel wire rigging with forged turnbuckles
- Internal halyards
- Harken furler for self-tacking jib
- Mast to deck tie rod to carry running rigging loads
- Custom designed stainless steel chainplate system ties to extensive internal FRP structure and hull
- Masthead anchor light
- Bow light with foredeck illuminator
- Mast wiring conduit
- VHF wiring for masthead antenna
- Spartite mast sealing and chock system
- Boom
- Carbon-fiber pocket boom with Sunbrella sail cover
- (2) Single line reefs led aft to housetop winch, allows reefing from the cockpit
- Integral 4:1 outhaul
- Two-part boom topping lift
- Running Rigging
- (1) Low stretch genoa halyard
- (1) Low stretch main halyard

- (1) Dacron jibsheet
- (1) Dacron mainsheet
- (2) Main traveler taglines
- (2) Reef lines
- Doyle Sails
- Fully-battened Dacron mainsail
- Spectra laminate reacher
- Dacron self-tacking jib
- Assymetric spinnaker in an ATN sock, red w/ white diamond
- Sunbrella mainsail cover

Deck Hardware

- (2) Harken 32.2 STC (self-tailing chrome) aft house topmounted winches for sail controls and mainsheet
- Harken self-tacking jib traveler
- 24" x 1" diameter, all-welded stainless steel stanchions, 4-hole mounting base with backing plate installation
- 24" x 1" tube double stainless steel bow rail with railmounted combination navigation light
- 24" x 1" tube double stainless steel split stern rail with rail mounted navigation light
- 7 x 19 double lifelines with port, starboard, and stern boarding gates with pelican hooks
- Custom designed and fabricated stainless steel stem fitting with integral single bow roller
- Stainless steel 10" bow mooring cleats with backing plate
- Custom fabricated mid mooring chocks with 8" stainless steel mooring cleats, installed with backing plates
- Stern stainless steel quarter caps
- Stainless steel 10" aft mooring cleats
- 2" x 1 1/2" teak toerails through-bolted to 6060 T6 aluminum bar in hull flange
- Teak taffrail
- (2) Harken aluminum winch handles
- (8) Spinlock rope clutches for aft sail control leads
- Harken stacked double aft lead control blocks
- Harken turning blocks at base of mast for aft sail control leads
- Four-part Harken mainsheet system led to housetop self-tailing winch
- Harken traveler with four-part tagline adjustment led to aft end of housetop for easy adjustment
- Custom stainless steel mast collar with multiple attachments for blocks
- Polished chrome 4" dorades on teak dorade caps
- Companionway hatch sea hood with instrument pod
- Binnacle compass
- Match molded anchor locker lid with latch
- CE unlimited offshore approved stainless steel deck hatches
- CE unlimited offshore approved stainless steel port lights
- On deck drains to waterline discharge, eliminates hull streaking
- Extensive housetop teak handrails
- Manual cockpit mounted bilge pump
- Drink holders in cockpit
- Offshore ready, match molded, and gasketed cockpit seat hatches

Additional Equipment

- Awlgrip black hull
- Contrasting non-skid
- Hull rubstrake PVC
- Stainless steel dorade guards
- Elk leather covered wheel
- Extra large 46" wheel
- Teak cockpit coamings
- Teak cockpit soles
- Additional G27 batteries, (3) total
- (3) 12V cabin fans
- 12V outlets, (1) nav, (1) helm
- Holding tank gauge
- Folding prop
- Reacher package, includes secondary winches & Harken 1900 roller furler
- Doyle spectra laminate reacher
- Rod Vang led aft
- Integral split backstay adjuster
- Spinnaker halyard led to housetop winch
- Spin padeyes mounted on toerail
- Harken lazy jack kit
- Assymetric spinnaker in an ATN sock, red w/ white diamond
