Fuel Tank:	- tank(s)	Fresh Water Tank:	- tank(s)
Holding Tank:	- tank(s)		

ACCOMMODATIONS

Dimensions Displacement: 11'000 lbs.

Engines Total Power: 315

Tanks Fuel: 175 Fresh Water: 40 Holding: 14

Accommodations Forward Berth - Comfortable sleeping for two on the queen berth with inner spring mattress. The berth converts away to add additional seating at the dinette while still allowing space for napping or laying down and reading. High density reading lamps are located above. A designer mattress ticking finishes off the sleeping berth.

Dinette - The dinette table folds open for extra space while eating, seating at the C-shaped dinette for 4 to 6 people, cherry & holly soles throughout.

Main Salon - The entire cabin is finished in cherry wood, one opening Bomar hatch with a screen is located above the sleeping berth, stainless steel opening port lights with screens throughout cabin, one cedar-lined hanging locker is located to starboard just forward of the head and ample storage space is present below the large C-shaped settee. A JVC CD player with four speakers is standard.

Command Bridge - In the command bridge you'll find two swivel captain and mate chairs, a chart table with protector, two stainless steel Bomar hatches with screens above both captain and mate chairs, two DC fans to circulate air throughout the hard top enclosure, two large bench seats port & starboard with self draining storage compartments beneath, the engine hatch is suspended on gas struts for easy access to the engine room, the center window on the windshield opens for added air ventilation and a three-piece aft drop curtain is included for added protection from the elements.

Cockpit - The cockpit is open with a 10'3" beam, a lazarette hatch allows ease to the rudder post, bilge pump and more, the walk-thru transom door adds simplicity to boarding on and off, the swim platform comes standard with a swim ladder and the shore power outlet are located in the cockpit.

Exterior Features - Stainless steel bow rail, grab rails, port lights and hatches add beauty to the traditional lines, the anchor locker is self contained as well as self draining, the deck is antique white and the hull is flag blue.
