Tanks Fuel: 444 Fresh Water: 200

Accommodations This very popular 47' Pilothouse Motoryacht offers very comfortable accommodations for 6 in a master stateroom with a centerline queen and a full head with shower and tub, a crew stateroom with over and under bunks and a guest stateroom with a double alongside. All staterooms offer hanging lockers and plenty of storage, the guest head also has a separate shower. The spacious salon offers a galley up layout with a wet bar, icemaker and sink to starboard and a large L shaped sofa with a great deal of storage underneath. The pilothouse offers a panoramic view with a center helm surrounded by instruments and behind the helm is a dinette. There are sliding doors both to port and starboard for access to the walkaround. Four more steps will give passengers access to the bridge, which has a captain's chair behind the center helm, and an L shaped bench to port and a bench to starboard, aft of the seating on the bridge is a davit for a dingy and a crane with chocks for an inflatable. The after part of the bridge is also surrounded with life lines. A ladder leads through a hatch to a cockpit below with ample room for deck chairs. Although the side decks are narrow, they lead forward to wide walkarounds and out to a forward deck with a bench seat.

Galley/Head A well laid out U shaped galley offers everything for longterm cruising or living aboard. Both heads have electric marine toilets and separate showers, as well as a tub in the master. Both units are plumbed to a holding tank with overboard discharge and deck plate pumpout capabilities.
