

## 2008 Back Cove 29 Hard Top Price Upon Request

The style of the Down East lobster boat has been closely associated with Maine's proud boat building heritage. The Back Cove 29 is a most recent example of everything that makes the Down East lobster boat a work of art. She has a traditional spoon bow and her transom is gently sloped: a style that will turn heads in any harbor she enters. Below the surface she is modern and contemporary. A deep-vee hull with prop recess and standard trim tabs offers comfort and performance. With her Yanmar 315 horsepower, 6 cylinder diesel engine, she reaches a top end of 28 knots and will cruise very comfortably in the mid 20's. Around the docks, you will appreciate the maneuverability provided by her standard bow thruster. The Back Cove 29 Hard Top is practical and beautiful, and proves to be more than the ordinary boat. Available for immediate delivery. Contact our sales office today for complete details.

### BASIC INFORMATION

<b>Manufacturer:</b>	Back Cove	<b>Model:</b>	29 Hard Top
