

1992 Webbers Cove Bass boat \$32,000

This two owner boat is in great condition. All of the teak on the boat was just refinished. The craft combines the best features of a Down East lobster boat with new speed bottom configurations. The boat has a soft chine, a sharp forward entry, low to moderate transom immersion, and full length molded-in lifting rails for good water control. The pb22 will cruise smoothly, quietly, and economically from a no-wake crawl to top speed, and still be a stable platform for trolling.
