

2014 Back Cove 37 Downeast Price Upon Request

Our newest Downeast 37, for today's boating lifestyle, is now available!

The Back Cove Yachts design team, led by Kevin Burns, is proud to introduce this new design, created for families who wish to enjoy their on water activities to the fullest. Below deck there is a very comfortable cabin which will accommodate a cruising couple for weeks on end. On deck the single level cockpit sole stretches from her transom to the companionway making this the perfect design for every activity from fishing and swimming to entertaining or lounging to pass a pleasant day with family and friends.

Continuing with the same practical features, usability and low maintenance, which have built the popularity of the Back Cove brand since its inception. And of course, you will find the usual great features Back Cove is known for; wide walk-around decks, ample anchor locker storage space, beautifully molded parts, smart electrical & mechanical systems, quiet running hull, economical burn rates plus much much more.

Please contact our office for complete details, pricing and information on the new Downeast 37.
